

## REMARKS

Claims 1-3, 5-7, 9 and 11 are pending and allowed.

The only remaining issue pertains to the declaration/claim of priority. The Examiner requests a declaration which includes a priority claim to KR 2002-37461. However, the originally filed declaration included such a priority claim. It is noted that the originally-filed declaration was a facsimile. A copy of the original declaration from which the facsimile was derived is attached herewith for the Examiner's review.

Accordingly, withdrawal of the rejection is requested.

If there are any formal matters remaining after this response, the Examiner is requested to telephone the undersigned to attend to these matters.

If there are any additional fees associated with filing of this Amendment, please charge the same to our Deposit Account No. 19-3935.

Respectfully submitted,

STAAS & HALSEY LLP
